Information (status 08 / 2021)

All prices are non-binding recommended retail prices including 19% VAT. from the Harthausen factory.

Prices for special equipment only apply to series production.

If special equipment is ordered at a later date, a surcharge for subsequent assembly may be charged.

The dimensions and weights are approximate values (dimensions in mm / weights in kg)

The dead weight corresponds to the standard equipment without special equipment.

Illustrations do not always correspond to the standard equipment.

Some of the illustrations show special equipment

The technically permissible total mass, permissible axle loads and the drawbar load must not be exceeded.

The type of galvanizing of the steel components can vary. Therefore color differences are possible.

Deformations / pressure points on the GRP surface (inside and outside) are possible.

Tires up to 3 years old are considered brand new. However, they only have a limited useful life.

Condensation may form due to differences in temperature and humidity.

All orders are subject to our new car sales conditions (status 03 - 2021)

and our general terms and conditions.

Goods remain the property of GROSS and Co.Anhänger GmbH until full payment has been made.

Offers are valid for 1 month after the date of creation unless otherwise stated.
