Information (as of 10 / 2021)

All prices are non-binding recommended retail prices incl. 19 % VAT ex works Harthausen.

Prices for special equipment are only valid for series – new production.

In the case of subsequent orders of optional equipment, a surcharge for subsequent installation may be charged.

The figures for dimensions and weights are approximate values (dimensions in mm / weights in kg)

The tare weight is the same as the standard equipment without optional extras.

Illustrations do not always correspond to the standard equipment.

Illustrations show some optional extras

The technically permissible gross weight, permissible axle loads and drawbar load must not be exceeded.

The type of galvanizing of the steel components may vary. Therefore, color differences are possible.

Deformations / pressure points on the GRP surface (inside and outside) are possible.

Tyres up to 3 years old are considered brand new. However, they then only have a limited useful life.

Condensation can be possible due to temperature differences and humidity.

All orders are subject to our New Car Terms and Conditions of Sale (as of 03 - 2021)

and our terms and conditions.

Goods remain the property of GROSS und Co. Anhänger GmbH until full payment has been made.

Offers are valid for 1 month after the date of creation, unless otherwise stated.
